Health screening of campers and staff is critical to prevent an illness outbreak from starting. Per Title 17, Section 30750 of the California Code of Regulations, screening shall be conducted by a qualified staff member for all campers under the age of 18 who are unaccompanied by a parent or guardian within 24 hours of arrival at camp. Ideally, pre-screening of campers and staff should be done prior to arriving at camp to prevent the spread of illness. Records for the health screening must be maintained at the camp. The screening should include the following inquiries:			
No	Yes	Health History	
		Have you been exposed to any known contagious disease in the last week? If yes, please explain:	
		Has a copy of the staff/camper immunization record been obtained?	
No	Yes	Have you shown any of, or been in contact with others who exhibited, the following symptoms within the past 24 to 48 hours prior to camp arrival?
