- 2 Christ is our good land, enjoyed in the light
His presence brings shining and makes our hearts bright
Walk in the light and don't let it grow dim
Dark parts, He shines in, that we may gain Him!
- 3 Christ is the soil, we're planted in Him
We grow with God's growth as we spend time with Him
Taking our time, don't be rushed with Lord
Tender, new roots - all His riches absorb!
